Hi Joe, I spoke with Hawaii Friday evening and they helped work out some language. This is how we propose to address your question. OK with you? If you are good with this, I think we have agreement on the agreement and I will sign it on Wednesday and send it to them.  
Thanks - Lilian

Thanks – so just to be clear E(4) is a requirement of the Hawaii law and is not an additional requirement that the agency is requiring? And if so, can that be clearly stated?

**Subject:** Informal Resolution Agreement with Hawaii Department of

Agriculture  
**Importance:** High

Hi Joe,

Here is where we have ended up on this agreement per our call with HI DOA this afternoon. I have sent this to them just now for their final review. Once they give a final thumbs up, they are expecting me to put this in final, sign it and send it to them by this coming Wednesday. It is anticipated the Chairperson will sign the agreement next Thursday 5/23 and send it back to us. At that time, I would append the Agreement to a boiler plate resolution letter and issue it to the Complainant and Recipient as the formal resolution of this case.
